

# Scallion ties up with Genovate

**Our Staff Reporter**

Chennai, June 27:

Scallion Technologies Pvt Ltd, a Chennai-based outsourcing provider offering expertise in legacy systems and internet integration network operations, has tied up with Genovate Solutions Pvt Ltd, a Singapore based company for software development and training.

Addressing presspersons here yesterday, Gurumurthy Palani, CEO, Scallion Technologies said the company plans to open 10 training centres in South India and two

application development centres.

Scallion will offer Genovates, IT courses in Java, CRM, XML, SCM and wireless technology to students. It would also offer e-commerce training and certifications from CIW of USA and ASP Linux who are Genovate's principals. The course fee would be between 400 to 2,000 Singapore dollars.

Anton Ravindran, CEO, Genovate said the company hopes to invest around 2-3 million Singapore dollars over the next 12 to 18 months in India. Both the companies would benefit under the arrangement, he observed.
